Plagiarism and collusion

Plagiarism occurs when a student passes off as the student's own work, or copies without acknowledgment as to its authorship, the work of any other person.

Collusion occurs when a student obtains the agreement of another person for a fraudulent purpose with the intent of obtaining an advantage in submitting an assignment or other work.

Where there are reasonable grounds for believing that intentional plagiarism or collusion has occurred, this will be reported to the Program Coordinator, who may disallow the work concerned by prohibiting assessment or refer the matter to the Dean.
